A Different Class

ART | CHOI SUNG-WAN STORY | BEIBI COLORING | JUNG JAE-HOON

Greetings to **A Different Class** cherished readers. This is story writer Beibi. I'm saying goodbye to the readers after working for the second time with Writer Choi Sungwan and Jung Jaehoon for the 52nd chapter of **A Different Class**.

As always, especially for this project, I tried hard to make a series that is not stressful and enjoyable for readers to see with a light heart. It's a bit unfortunate that I couldn't solve all the stories I had in mind, but that was in my mind the whole time.

I thank Writer Choi Seong-wan and Jung Jaehoon, who breathed life into a story that was only a framework, with their pretty and sexy drawings. Every time I saw that real manuscript, I clapped like a seal. I send my neverending gratitude to the PDs in charge who worked hard to create this complete work too.

More than anything!
I will never forget the support from the readers who have been together with us every week.
Thank you very much.
Please be happy!

TMI. The name of the other angel of Hwan and Seol Hee is **Hwan Hee**.
